

Equipment Operator/Part-Time

Department: Resource Management Services

DESCRIPTION

Required to operate all County equipment in a safe and effective manner under the direction of Resource Management Services Management to ensure that the landfill site is operated in accordance with DEP regulations and County policies. Assists consulting engineers, contractors, and specialized maintenance consultants as required. Work is performed under general supervision of supervisor.

SPECIFIC DUTIES

- Maintains accurate records on work performed daily whether labor duties or equipment usage.
- Proper operation of all landfill equipment in a safe and effective manner according to Lycoming County and Lycoming County Resource Management Services safety rules and regulations.
- Performs daily and routine maintenance, fueling, oil and fluid toppings, as well as detailed repairs to screen plant.
- Performs daily and routine cleaning of landfill equipment you are operating.
- Performs daily placement and compaction of waste as per DEP regulations.
- Excavates, loads and transports earth cover. Operates shale or stone screening unit for processing. Reloads and transports desired product to different work area as needed.
- Constructs and maintains access roads, and keeps roads clear of rocks and other obstructions.
- Maintains dust control on all access roads.
- Maintains a clean working area wherever working on or off site.
- Performs routine snow plowing and cindering when needed on and off site.
- Required to be trained on the proper set up of laser equipment, and the use of a lock level.
- Must have ability to interact with employees at all levels of the organization and general public.
- Operate the landfill in compliance with DEP approved operations plan. This includes maintaining exterior slopes at 3:1 or 33%. Cover refuse daily.
- Must assist with maintenance and repairs of the landfill site where needed.
- Must report all accidents and injuries to any county equipment or employee to their supervisor.
- Other duties as assigned.
- Must utilize work time and equipment that the position is responsible for.
- As ability allows, assists in any work situation or capacity needed in an emergency situation RMS facility.
- Performs tasks for other RMS divisions as assigned, including but not limited to earth moving operations, waste movement operations, gas collection operations, leachate operations, recycling collection operations, recycling processing operations, transfer station processing operations, transfer station truck driving operations, support functions, etc.
- Ability to use common laser equipment, and hand-held lock level to follow grade.
- Ability to read and follow instructions.

- Each employee is directly responsible for the proper care of county property, equipment, and vehicles placed in his or her charge either temporarily or permanently.

SUPERVISORY RESPONSIBILITIES

N/A

WORKING CONDITIONS

- Outdoors in all types of weather conditions (heat and humidity, snow and ice, wind and rain).
- Ability to walk and climb on rough and uneven terrain.
- Ability to climb up and access equipment operating compartments.
- Works irregular hours when required or in emergency situations.
- Includes heavy lifting of materials used in each work situation assigned at the landfill site.
- Uniforms will be issued to full time employees.
- Employees are required to wear all appropriate equipment at the proper times and in the proper environments.

JOB REQUIREMENTS

- Must possess a valid PA driver's license.
- A valid CDL Class A with tanker endorsements and valid CDL medical certificate preferred.
- Three (3) years related experience preferred.
- Performs work with minimal supervision.
- Must operate RMS equipment in a safe and proper manner.
- Must submit to and pass a pre-employment drug screening and background check per County policy.
