Lycoming County Resource Management Services
Credit and Check Policy
As of January 1, 2026

1. Statements are sent out on a monthly basis on or about the first of the month for the preceding month's business.
2. Payment of the total amount billed must be received at LCRMS' s business office located at the Lycoming County Landfill, 447 Alexander Drive, PO Box 187, Montgomery, PA, by the 25th of the month.
3. All accounts are subject to a 1.5% late charge fee for non-payment or payment received after the 25th of the current billing cycle. This late fee continues to be assessed monthly until payment is received in full.
4. Accounts will be placed on "Cash Only" basis if payment is not received by the last full business day of the month; (Monday through Friday) by 4:15 p.m. Eastern Standard Time.
5. Once an account becomes "Cash Only", service termination occurs if payment in full of all amounts owed, including late fees, is not received at the business office, located at the Lycoming County Landfill, 447 Alexander Drive, PO Box 187, Montgomery, PA by the last day of the month in which the account became "Cash Only". LCRMS facilities will not accept waste for disposal, upon service termination.
6. If legal action is required to obtain overdue payment, all costs, including late fees, reasonable attorney's fees, and court costs, will be added to the customer's bill.
7. The County may, in its sole discretion, offer terms for a payment plan for those accounts on "Cash Only" through a Promissory Note. The Promissory Note will require a pledge of collateral acceptable to the County, which pledge shall be determined at the sole discretion of the County, on a case-by-case basis. Account status may be reconsidered after six months of paying the account in full, pending a successful credit investigation.
8. Credit privileges may be denied if account becomes "Cash Only" three times within a twelve-month period.
9. Billing discrepancies shall be reported in writing within 30 days of receipt of bill, to the Accounts Receivable Clerk, to initiate an inquiry.
10. If any check is returned from the bank for Insufficient Funds, a \$35.00 service charge per check will be added to the costs and any late fees or penalties that would have been assessed, will be added. Customer will also be required to pay cash for services until payment has been received for the NSF check amount, the service charge amount, and any late fees or penalties that would have applied. The customer must pay the costs with CASH OR CERTIFIED CHECK at the Business Office located at the Lycoming County Landfill at 447 Alexander Drive, PO Box 187, Montgomery, PA. Failure to pay the amount in full

plus costs listed herein above will result in legal proceeding, both civil and criminal. If two or more checks are returned for insufficient funds within a six-month period, checks will not be accepted and customer is required to pay with cash or certified check.

11. In the event the County takes legal action to recover an amount due for any NSF check(s), regardless of whether the account is on a "Credit" or "Cash Only" basis, the County shall be entitled to collect its reasonable attorney's fees and costs associated with collection.

The undersigned represents and warrants that the terms of this credit and check policy are agreed to, that this policy is accepted with full knowledge of its contents and that this document is signed with full authority to obligate the signer as well as the named company.

DEFINITIONS:

Certified Waste Hauler - A business enterprise trading in the solid waste industry, utilizing commercial grade solid waste industry vehicles (which includes one or more of the following: Packer, Roll-off Vehicle, Truck Tractor/Combinations) are subject to the PaDEP's rules and regulations, and conform to PA Code, Title 25, Chapter 285 – Storage, Collection, and Transportation Regulations, for collection and transportation of solid waste. Certified Waste Haulers are also required to carry automobile liability insurance with a combined single limit of \$1,000,000. Hauler agrees to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

Commercial Hauling Enterprise – A business enterprise, trading in the solid waste industry utilizing vehicles capable of mechanically dumping or discharging the waste from the vehicle (which includes dump trucks but excludes dumping trailers regardless of the vehicle they are attached to). These business enterprises are subject to the PaDEP's rules and regulations for collection and transportation of solid waste, and utilize LCRMS facilities at least three times per week and dispose at least 1,000 pounds, (.5 tons) of waste per transaction on average. Commercial Hauling Enterprises are also required to carry automobile liability insurance with a combined single limit of \$1,000,000. Hauler agrees to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

Commercial Business Accounts - Commercial enterprises, or non-profit enterprises including municipalities, schools, hospitals, and government agencies, that do not trade for profit in the solid waste industry, do not generate or dispose of industrial residual wastes. Commercial Business Accounts are required to carry automobile liability insurance with a combined single limit of \$1,000,000 if they own vehicles that may be used in transportation for disposal at LCRMS facilities. Otherwise, must show proof of required insurance for each hauler this account utilizes for disposal transportation. If customer is hauler they agree to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

Industrial Generator Accounts – A person generating and disposing approved waste through LCRMS's Form R, Waste Acceptance Plan. Industrial Generator Accounts delivering approved waste in their own vehicles are required to carry automobile liability insurance with a combined single limit of \$1,000,000 if they own vehicles that may be used in transportation for disposal at LCRMS facilities. Otherwise, must show proof of required insurance for each hauler this account utilizes for disposal transportation. If customer is hauler they agree to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

Individual Accounts - Persons requesting an account who do not meet any of the above account types and/or do not qualify due to lack of insurance and/or lack of defined equipment or utilization of equipment. If customer is hauler they agree to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

Cash Customers - Persons who utilize LCRMS facilities on an infrequent basis and are not normally given an account. Customers may be given an account under this account type for approved, reasonable business related purposes.

White Goods – Appliances and other salvageable materials including, washing machines, dryers, refrigerators, freezers, air conditioners, dehumidifiers, dishwashers, hot water heaters, stoves, sheet iron, tin, and steel auto parts.

Cleanup Costs – Fees charged to customers for removal of waste dumped in improper disposal area, and for reloading and/or cleanup of wastes rejected for disposal. Fees may include personnel costs, testing fees, and

any special handling fees associated with the load in question.

***Dig Out/Wash Out** – Occurrence when loads require a dig out or wash out service by LCRMS. Release form is required prior to service.

Asbestos – Wastes contaminated with or containing asbestos, as defined by PA DEP.

Industrial Residual Waste – Those wastes meeting the permit conditions as approved in LCRMS’s Form R section of the operating permit, and have been pre-approved for disposal at LCRMS. Wastes are subject to PA DEP regulations.

Clean Wood Waste – Acceptable clean wood includes, unpainted wood, (stained wood and wood with glue is acceptable), brush, limbs not exceeding 10” in diameter, pallets, skids, compressed wood fiber pallets, utility spools with hardware removed, plywood and waferboard. Clean wood may not contain non-wood items, any treated wood, plasterboard, creosote products, demolition waste, masonite, or painted wood.

Construction Demolition Waste - Solid waste resulting from the construction or demolition of buildings and other structures including, wood, plaster, roofing shingles, metals, asphalt substances, bricks, blocks, concrete, cardboard, styrofoam, insulation, plastic, empty buckets: (tar, paint, plaster), fire debris from structures only (excluding contents).

Tires – Tires must be brought to the Landfill separately from other wastes. However, if tires are found mixed in other wastes at the time of disposal, an additional fee in addition to the original charge without reduction in weight for tires, will be added according to the tire size and number of tires found. The Standard Fee listed above is for whole, pneumatic, round, clean, and dry tires, which have the integrity to roll. This includes car, truck, ATV, golf cart, racing slicks, wheelbarrow, motorcycle, bicycle and mini bike tires. Tractor and Heavy Equipment tires include tires from farming equipment, heavy equipment such as graders, backhoes, etc., and airplane tires. Tire pieces, scrap sidewalls, tubes and wheels are not acceptable for recycling purposes. Tires will not be accepted for disposal without prior approval.
